Cody is the Star of the Division Cross Country!

Cody Power was the star of the show last Friday winning the 12/13 girls 3000 metre Division Level cross country event. This race had over fifty competitors from the schools across the Shepparton area. Cody led from start to finish, crossing the line 30 metres ahead of her nearest competitor. Cody will now go on to represent the Shepparton area in Broadford later in the year. Fantastic effort Cody!

Of course Cody was not the only runner representing the school last week at the cross country. Jayda Hawks, Kyle Hodges, Kai Lundberg, Connor Peachey and Georgia Hansford also ran extremely well in their events and gave it everything on the day. Well done to the runners who represented Nathalia Primary School at the Division level cross country run.

Nathalia Primary School Choir Performs

The Nathalia Primary School choir performed at the Nathalia Senior Citizens Hall last Wednesday and they were excellent. The choir, under the tutelage of Mrs King-Jones, performed a variety of songs and the audience appreciated the talent and enthusiasm of the children from our school. A great deal of practice and time has gone into the preparation for such a wonderful performance. Mrs King-Jones and the choir do a fantastic job at representing our school in the community.
Knights News

A fantastic effort from both Knights teams was displayed for their home crowd this week. All the boys played with the right team spirit and made us all proud. They played with determination and gusto to bring home two close scoring games. Well done boys.

Under 10’s results

Nathalia Knights 5/2/32 to Eastern White 6/7/43

Tucker Day

The Junior School Council has decided to have tucker days every second week for the rest of term two on Thursdays. The money raised will go towards a television for the Music / Art room.

Next Thursday we will run a soup tucker day. The children must bring their own cup and spoon. There will be a choice of chicken noodle soup or pumpkin soup. A cup of soup is $2 and it is served with a slice of bread.

Children will be given order forms and they must be returned by Tuesday the 24ths on May. Thank you.

Students of the Week

“Using Appropriate Language”

Rayyan Shaik, Kane Bradley, Ethan Cornell, Shannon Jeffries, Natasha Ferguson

Dates to Remember:

May
17th—School Council—7.00pm
