School Council Elections
I have received four nomination forms for the parent / community member category and two for the Education Department (DET) category of School Council. Courtney Brown, Alana Zammit (DET), Lisa-Ann Moor, Cindy Sheahan, Melissa Bell (Parent) and Philippa Schapper (Community) are now elected to School Council. Congratulations and thank you to the people who have been elected to School Council.

Hot Cross Bun Drive
All families should have received a spreadsheet for the hot cross bun fundraiser. The hot cross buns are from Brereton’s Bakery in Nathalia and are being sold by the school at the same price the bakery sells them for. Please support this fundraising activity as all money raised is directed back to benefit the children at the school.

School Camp
The planning for the grade 5—6 school camp is well under way and we have thirty children and four members of staff attending. The cost for the camp is $350 and families are now able to make the payments for the camp at the office.

Times Table Challenge
We had a times tables challenge at assembly on Monday morning and it was hotly contested by children in grades 3—6. The inaugural winner of this weekly event was Kaleb Kopsidas. Well done to everyone who stepped forward to have a go at competing in this event. In the weeks to come we will have other children in grades 3—6 take the tables challenge. Improving skills in this area is very important to maths development and we are encouraging the children to practice their tables so that their response becomes automatic.

Please note there will be no school next Monday due to the Labour Day public holiday across the state.
