Dear Families and School Community,

Another busy week. Unfortunately the footy clinic for years 4 to 6 went ahead without the Melbourne Football players. I heard this morning that the plane was on the tarmac for over 3 hours waiting for the fog to lift. A big thank you goes to the students from St Mary’s who came down to run the activity stations for the students so that the clinic could still go ahead.

Staffing
Jeanette Hill has taken carer’s leave for the next four weeks. Courtney Brown will be in 1/2/3H during this term.

Student Respect
We have had a number of discussions with the students this term regarding name calling and not treating everyone in a friendly and respectful manner. This is unacceptable behaviour and is in breach of the school value of respect and how we expect students at Nathalia Primary School to behave. I am asking all parents to speak with their children regarding this matter.

It is important if a student has a problem at school that they tell a teacher at school on the day it happens, so that it can be dealt with promptly. However if your child has a problem at school, please let me or the classroom teacher know straight away so that it can be resolved quickly.

Suggestion Box
I have set up a box in the office for parent comments, concerns and suggestions. We encourage parents to contact the school in person, by phone, email at any time. Classroom teachers are not available in class time but appointments can be made to see the teacher at a convenient time. The box in the office is another way to communicate with us and it can be anonymous if you choose it to be. If you would like to contact the school using the box just put it in an envelope and your child can post it.
School Review
The date for the review is rapidly approaching. The reviewer is Leon Kildea and he will be at the school on Monday 18th and Tuesday 19th August. He will be talking with staff, students and parents.

Student Free Curriculum Day
We have organised a Curriculum Day for the 12th September. This is the day after the concert. The staff will be visiting other schools and attending a lecture by Dr Peter Eastaugh.

Canteen Price Changes
Could parents please take note of the pricing changes to the canteen price list.
A new copy has been included on Page 6 of this newsletter and copies are available from the school office.

School Council - Grounds Committee
On Friday, August 1st our school will be hosting the Community BBQ outside the Nathalia Post Office.
There will also be a wood raffle run on that day. All families will be asked to sell a book of tickets. The 1st prize will be 3 metres approx. of wood. Tickets will be $1.00 each or 3 for $2.00.
The Raffle will be drawn on Monday, August 4th at our school assembly, all proceeds will go towards our new Outdoor Learning Area on the Robertson Street side of the Infant wing.
A Working Bee has been planned for October this year as there are numerous clean up jobs to be done around the school - weeding, mulching, pruning, painting and decking re-sealing.

Debbie Inglis
Acting Principal

Active After School Program
This program will be run for 7 weeks again this term commencing on Monday, July 28th and Wednesday, July 30th and will run through to Monday, September 8th and Wednesday, September 10th.
The sessions will run for 7 weeks from 3.20pm through to 4.45pm and students will be provided with a free after school snack.
All students are eligible to attend. Forms have been sent home last week.
The activity on Mondays will be Table Tennis and the Wednesdays activity will be Cricket.
We are offering any spare spaces to St Francis’ students so please return the form promptly so your child doesn’t miss out.

Aaron Johnson
Coordinator.

Well done to Bailey, Tully, Nic & Justice on your 100% attendance for Term Two.

Netball report 2nd team
On the 18th of July the second team played Numurkah Primary school.

In our team there was Jai-Dee, Zali, Justice, Cody, Maizie, Emily, Zoe, Taline and Teagan. We started off pretty well and shot a goal. After the first quarter the score was us 1 and they were 0. On the second quarter we didn’t play as well as the first quarter. After the second quarter the scores were us 1 and they were 1. On the third quarter we really came up and we were communicating well and playing as a team and got 5 goals. After the third quarter we were on 6 and they were on 3. On the last quarter we got 1 goal and the scores were us 7 and they were 4.

Zali, Jai-Dee & Justice.

Last Friday our final football game for 2014 was against Numurkah Primary School.

We didn’t win this week, however, it was great to see the grade 4 students step up again and help us out.

Cooper played his first ever game of school football and was among the best players.

Ryan and Darcy were again very valuable.

Adam and Aiden also had their best games for the year.

The lightning premiership is on the 1st of August and if we can harness the individual performances throughout the season into a full team effort we should be able to knock a few schools off next Friday!

Goals: Adam 1, Markiah 1.

Most valuable players: Toby, Cooper, Aiden & Justin.

Around the Grades

4/5/6 Rin & Joh
This term in 4/5/6 we are splitting the class 3 ways in reading and maths between Mr J, Ms Inglis and Miss Ringin. This will enable us to have smaller class sizes and more focussed learning for all children.

We have a very busy term this term with the students participating in an AFL football clinic, the Life Education Van, the school concert, Lightning Premiership, Winter Sports, Cyber Safety program, Footy Colours day and Athletic Sports.

The students are also setting a new learning goal each week in class and trying to achieve them, the students are also working towards achieving a mid-term goal with the students who are successful being able to participate in a reward in week 5.

The students have started using learning ladders in maths to help them understand what they know and what they are aiming towards. The students also have set a goal on the ladder of where they would like to be at the end of the term.

The students are also trying to achieve perfect attendance this term so they can achieve a reward at the end of the term.

Miss Ringin & Mr Johnson.
