**School Captains 2016**

The election of School Captains for 2016 has taken place. There were fifteen current Grade Five children who expressed an interest in the role of School Captain and their speeches were fantastic. It was also terrific to have so many guests at the assembly who listened to the children present their ideas to the school community.

The School Captains for 2016 are Emily Bell, Ryan Bell, Zali Cornell and Georgia Hansford. The Sports Captains for 2016 are Cody Power and Darcy Hicks. This is a new role at the school and has been created with the aim of spreading the leadership responsibilities across more children. Congratulations to all of the children who nominated for the role of School Captain. We have a very strong group of Grade Five children who will make wonderful role models for the younger children next year.

*Thanks, Chris McCallum - Principal*

2016 Swimming Program
The Nathalia Primary School swimming program will operate in February next year. The program will run over ten days with the children at the pool for an hour each day. The intensive swimming program will follow the guidelines set out in the Vic Swim program, which is appropriate for all children of primary school age.

To achieve the optimum group ratios we will need parents to volunteer to assist with the program. There may be some parents with skills in this area but if you haven’t, parents can be trained in how to work with a swimming group. Parents do not need to be available for every session and swimming groups can be shared between parents. Being able to swim is an important skill for all children and adults. The Nathalia Primary School swimming program will develop the skills of students from water awareness through to comprehensive stroke development. I urge any parent who would like to help out with part or all of this program to please contact the school and express your interest.

Year Six Graduation
The Nathalia Primary School Year Six Graduation is on Tuesday, December 15th from 7.00pm in the Dancocks Room at the Nathalia Community Centre.

Information for families will be sent home with the Grade Six children on Thursday. There are many people, not just family, who have a special bond with the current Grade Six students and they are most welcome to come along to the Graduation Night to help celebrate the achievements of these students. There is no charge for this event and it is open to anyone who would like to attend.
