Nathalia Kids Are Friendly Kids

"Fixing Things Up"

Last week’s Winners
F/1 W River Freeman
1/2 B Evan McDonald
3/4 J Dylan Harrison
4/5 I Heidi Morton
5/6 R Gavin McDonald

Congratulations to our weekly winners.

This week’s theme is: “Leadership”

School Captains 2016
The grade five children who are our aspiring school captains for 2016 will be making speeches at assembly on Monday morning. This will be followed with a vote during the week to determine our captains for next year. Parents are always welcome to attend assembly where we set the theme for the week and acknowledge student achievement.

Report Writing Day
This Friday is a pupil free day to enable teachers to finalise the end of year student progress reports.

State-wide Transition Day
Tuesday, December 8th is the designated state-wide transition day for student who are making the move from primary school to secondary college in 2016. All current grade six are expected to attend their secondary college on this day.

Cricket Legends
The children in grades four, five and six were treated to a fantastic cricket clinic on Tuesday with a number of former Australian international representatives working with the children. The most recent test player at the clinic was former test opener Chris Rogers, pictured right with Cody Power. The players were fantastic with the way they engaged with the children and the kids, and some adults, were in awe of the former cricket legends. The players in attendance were Terry Alderman, Andy Bichel, Lee Carseldine, Joe Dawes, Phil Emery Brett Geeves, Ken Healy, Wayne Holdsworth, Ben Johnson, Greg Matthews, Chris Rogers, Greg Rowell and Peter Sleep

Left: Mrs Thorn was pleased to meet former test cricketer Greg Matthews.

Thanks, Chris McCallum- Principal
We would again like to thank all our wonderfully generous sponsors.

Nathalia Primary School Conquers Maryborough

On Thursday, November 19th, Nathalia Primary School went to Maryborough to compete in the RACV Energy Breakthrough Push Cart Section. We arrived at Maryborough at midday, we had to then register our team and receive our wristbands so that we could race.

We happened to be one of the first groups to be assessed in the Design and Construction section. We answered all of the questions as a team.

We then had the push cart checked by an administrator. By the time we had done all this it was about time to get a good nights sleep.

The first event when we got up was the Endurance Race. It was fun and we recorded the record for the new track, because they have changed to a new track - The Holden Track.

The next event saw Aiden, Cody, Charli and Daniel tackle the Obstacle Course. We did not hit one cone at all and got a good time. Daniel was the only one to get up on two wheels.

For the rest of the night until 7.00 we were waiting for the news. They were looking for some bright coloured uniforms. Some were interviewed and we all sang our song.

The next day we were in the Sprint, just about to win and the seat belt got jammed, someone overtook us.

Because Archie chose pink for our uniform we were chosen to go into the Celebrity Race. We ended up winning the first heat, then the final.

All the work paid off with the Pink Panthers winning the track events.

Archies & Aiden - Grade 6R.
